I hereby agree to breed the mare _____ (Reg. # _____)

to the stallion _____. The 2009 non-refundable breeding fee is \$ _____.
A \$350.00 booking fee (part of the breeding fee) is due when the contract is signed and returned.

The breeder has a live foal guarantee. In the event that you do not have a live foal, you will have the right of return for the following year only. It is further agreed if the stallion or mare dies, or becomes unfit for service before one year right of return, then this contract becomes null and void. Mare owner must have mare palpated or ultra sounded within 15 days of the last breeding date and notify Hebert Quarter Horses, Inc of results for contract to be binding.

The mare shall be in healthy and sound breeding condition. Should the mare not conceive after two heat cycles, a veterinarian's certificate shall accompany each mare prior to any additional breeding. A negative coggins is required on all mares. It is also agreed to have Hebert Quarter Horses' veterinarian check the mare for breeding conditions (prior to any breeding) and to perform such other veterinary services at the expense of the mare owner.

It is understood Hebert Quarter Horses, Inc. and/or stallion owner will not be responsible for accident, sickness or death to mare and/or foal.

All boarding fees, veterinarian expenses, and the remainder of the breeding fee shall be paid when the mare is picked-up.

The guidelines for the breeders who will be requesting shipped semen are as follows: **the remainder of the breeding fee plus a shipping fee of \$250.00 is to be paid before the semen can be shipped.** Shipments will be handled by Fed-Ex next day delivery. We are to be notified at least one day before semen is to be shipped. In the event that the collection of semen on any given day is not enough, mares on the farm will have precedence. The stallions will be collected on a strict every other day basis. Collection days are as follows: Monday, Wednesday and Friday.

The mare owner shall be liable for legal expenses incurred by the farm and/or stallion owner in securing payment for services rendered under the provisions of this contract. Balances over 30 days will be subject to a four percent finance charge.

This contract is void if not returned within 30 days of the date issued. Please keep the pink copy for your records.
